1) Voltages measured off load with 230V/115V on primary
2) Voltage range: 230 ±10%
   115V ±10%
3) Primary fuse:
   230V range: T3.15A 250V 20x5mm
   115V range: T6.3A 250V 20x5mm

Components marked △ are safety critical items
and should only be replaced with manufacturers parts.
